PROJECTS

Portfolio | Live Demo
Developed a clean, responsive portfolio using HTML, CSS, and JavaScript to highlight my projects and skills. Integrated animations and interactive features to demonstrate front-end abilities.

Smart Khata| Live Demo
Built a "Shop Account Tracker" website to replace traditional notebook entries, allowing shop owners to digitally record, update, and track customer balances efficiently.

To-Do List | Live Demo
Built an interactive To-Do List with real-time task updates using DOM manipulation. Used local storage to persist tasks and created a smooth, responsive UI.
